

# After-School & Summer Programs

Our Knowledge Plus! after-school and summer programs enable students to continue learning even after the last bell rings. Our combination of experienced teachers, individualized attention, and low student to teacher ratios allows student to flourish.

## Writing Plus!

In order to succeed in today's world, students must develop strong writing skills. From elementary school to high school to college and then the workplace, good writers have a distinct advantage. Our program includes spelling, grammar, vocabulary, sentence structure and style, paragraph writing, and essay writing.
